

## SAFETY TIPS

---

**Your safety and the security of your personal property are of the outmost concern to us. We ask you to take advantage of the following tips, for a more enjoyable stay.**

- children under age 18 should always be attended and supervised by an adult
- always accompany and hold children's hand while walking on stairways
- never leave children unattended in the apartment or in the backyard
- walk with caution upon re-entering apartment/terrace from the pool areas, surfaces can be slick when wet
- never leave children unattended in the pool or in automobile
- monitor television channels being viewed by children in the apartment because some television stations may offer more adult-oriented programming
- use caution and follow instructions when operating the in-apartment appliances like microwave, oven, iron, coffee maker, etc.
- don't invite strangers to your apartment
- utilize all locks, latches and door guards on your apartment door. Check to see that all sliding glass and connecting doors are locked. When exiting, make sure that the door shuts completely and locks behind you
- please advise host if you witness any suspicious behavior
- when returning to the apartment late in the evening, be observant and look around
- don't leave apartment keys in public area, on restaurant tables or other places where they can be easily stolen
- don't draw attention to yourself by displaying large amounts of cash or jewelry
- do not leave valuables out in the open or in your vehicle. To protect them, place them in the safe in your apartment
- be sure your car is secured always and that valuables are removed from sight
- utilize seatbelts for each person in all vehicles
- please help us conserve energy and resources by making sure all lights, appliances and faucets are turned off when not in use

**These guidelines are not all-inclusive and are not substitute for common sense and appropriate caution.**
